The Court's August 6, 2003 Amended Scheduling Order states: "All agreed Protective Orders shall be submitted on or before September 11, 2003." An Agreed Protective Order was entered in this case on January 4, 2002; however, the parties are currently negotiating revisions to that Agreed Protective Order and need two more weeks to complete those negotiations and submit a Revised Agreed Protective Order to the Court.

The parties therefore respectfully request that the Court extend the date by which they shall submit this Revised Agreed Protective Order by two weeks to September 25, 2003.

Respectfully submitted,
